14. Ayres in Tabletorie to the Lute

1598

## 18. Farewell dispaire.

Farewell dispaire sith loue hath reconcil'd,  
Those strange delaies fond modesty commanded,  
And banisht now those idle superstitions,  
Feare of offence caus'd her to be enstranged,  
    Prescribing time this priuiledge affords,  
    Sweet trespasses loue pardons not vaine words.
