### 3. Mourne *Marcus* mourne.

Mourne, *Marcus* mourne, and mourning wish to die,  
Since she is gone on whom my hopes relyes :  
Though *Marcus* faith deserued with the best,  
Yet of hir loue an other is possest.  
Who doth forbid faire *Cleopatra* smiling,  
On his poore soule for her sweete sake still dyeng.
