

THE XII. WONDERS OF THE WORLD

John Maynard

1611

The Wife

The first of all our sexe came from the side of Man,
I thither am return' d from whence our sexe began.
I doe not visit oft, nor many when I doe,
I tell my minde to few, and that in counsaile too,
I seeme not sicke in health, nor sullen but in sorrow,
I care for some what else then what to weare to morrow.
